

April 30, 2011

Dear: **SELLERSBURG NEIGHBOR,**

Hello, I am Susan Miller. Sandy Nunn, Judy Shepherd and I will be working together on the acquisition of funds for the 2011 festivities.

Sellersburg Celebrates! is once again upon us. We feel that the 2011 festival will be the best ever. The committees continue to work hard to improve on the previous years. Our festival allows us to celebrate the positive and family friendly aspects of our Sellersburg community. The festival begins on **Thursday, August 25th**, and continues through **Saturday, August 27th**. This will be our twenty-second year to celebrate the community pride and display the local businesses and artistic talent.

Sellersburg Celebrates! is held in the Silver Creek Township Park located on North Fern Street. This location allows us room as well as a "park like" environment to celebrate the community family festival. At the park you will find the Business Showcase, craft booths, food vendors, and various other displays and booths. 2011 activities for the township park will be **Thursday, August 25th through Saturday, August 27th**.

Even though we were experiencing a down economy last year, you sponsors were incredibly generous with your support, once again proving the goodness of our community. Due to your generous support and the great weather we experienced, we are again able to assist the Town and the Silver Creek Township Park with some enhancements. These enhancements will not only make the festival better but also directly contribute to the visibility of the Town and the user friendliness of the Park. Our plan is to assist Bill Ramser in purchasing playground equipment and/or the lighting of the one- mile walking trail. We are currently working with the Town Council to discuss creating an attractive entrance to the town.

Events like *Sellersburg Celebrates!* require substantial effort. The committee's goal is to continue to provide a high quality family event. Many volunteers from the community serve as committee chairpersons and staff members. **The funding has come from contributors like you, who have answered our call to help bring the quality entertainment and variety of other events to our festival. Again, we are asking for your assistance. The entire community appreciates your generous support in previous years.** Recognition will be made to our general operating fund supporters based on the following categories: the **Solid Rock Division**, the **Granite Division**, the **Marble Division**, the **Quartz Division**, and the **Crystal Division**. Please see the enclosed form identifying the various contribution levels. ***Complete and submit the (BLUE FORM) when mailing your contribution.**

Again we thank you; our success is guaranteed because of the contributions received. Please take a moment to consider any support you might be able to contribute to this years' *Sellersburg Celebrates!* *Complete* the enclosed form and return by **June 15, 2011**. If you have any questions, please feel free to call Sandy or me.

Sincerely,

Susan Miller (502) 523-0910
